

Siem Reap I Bicycle Tours Around The Ancient Temples Of Angkor

Explore by bike not only the outstanding ancient temples of Angkor but also the surrounding area of Siem Riep. Learn about the everyday life and work of the people living here.

Day - 2 Siem Reap

ANGKOR COMPLEX (B, L)

Depart from hotel by bicycle and head onwards to the 12-13th-century jungle temple of Ta Prohm. Ta Prohm is unique in that it has been left largely as it was found: overgrown by jungle, trees, and vines, with many parts of the temple crumbling to the ground. Continue to cycle through jungle paths toward the ruined city of Angkor Thom - the last capital of the Great Khmer Empire under the reign of Jayavarman VII. Enter through the ancient East Gate, which boasts a row of fifty-four gods and demons holding the sacred Naga snake of Hindu lore. Continue on to Bayon Temple, sitting in the exact center of the city. This 12th-century masterpiece is a study in grandeur and is well-known for its fifty-four towers with enigmatic faces representing the fifty-four provinces of the Great Khmer Empire. The Terrace of the Elephants and the Terrace of the Leper King are also must-visits as they are both known for their intricate bas-reliefs. Lunch at local restaurant. Afterward, spend the afternoon at the famous Angkor Wat. Built during the reign of King Suryavarman II in the early 12th century, Angkor Wat was constructed to symbolize Mount Meru, the home of the gods.

Overnight: Siem Reap
