SINGAPORE: CITY SIGHTSEEING ON CAPTAIN EXPLORER DUKW TOUR, SINGAPORE FLYER & NIGHT SAFARI (B)

Today will be a very exciting day full of sightseeing. You will be picked up at your hotel in the morning and transferred to the world famous Singapore Flyer. Your ride will take approximately 30 minutes and will give you breath-taking views of the City. Once the flyer was the tallest ferries wheel in the world. Marvel at the beautiful skyline around Marina Bay which is a combination of award winning architecture and the colonial past of this former British trade post in the Malayan jungle. A sightseeing tour on Captain Explorer Dukw Tour can only be described as a fun filled experience. You will ride in an amphibious vehicle that can drive on land but also swim in the blue water of Marina Bay. Your tour will bring you to many of the famous landmarks of Singapore like the Esplanade concert hall, St Andrews Cathedral, Suntec City, The Padang, The Fullerton Hotel or popular Merlion. Use today's afternoon for a shopping spree at Vivo City or Orchard Road where you can find all mayor high street and luxury brands. Singapore is one of the most popular shopping destinations in Asia. Early evening you will be picked up at your hotel. Embark on a journey through the jungle at the Night Safari, in the midst of the lush tropical rainforest - certainly an experience of a life time. As most animals are nocturnal, you will see them at their most active time. A safari ride on an electric tram will bring you up close to the inhabitants and make you feel in peace with nature. We suggest you dare to walk on the designated walkways after your ride and if you are brave enough, enter the enclosure of the Flying Foxes. Transfer back to your hotel.

Day - 3 Singapore

SINGAPORE: SENTOSA ISLANDS, SEA AQUARIUM AND GARDENS BY THE BAY (B)

Spend your day on Sentosa Island, Singapore's beloved resort islands with white pristine beaches and an abundance of possible activities. With your open tickets to SEA Aquarium and Gardens by the Bay you are completely flexible to spend the day at your own pace. We suggest you take a taxi to Mount Faber in the morning. From there take a ride on the cable car (not included) to Sentosa Island. You will have breath-taking views of the South Chinese Sea and of many of the attractions of the island. Arrive at Siloso Beach and take a walk along the beach or maybe spend a few hours sun bathing and swimming in the warm water. Don't worry there are many changing rooms and clean showers that can be used. Also you shouldn't miss the view from the most southernly tip of the Asian continent at Palawan Beach. For lunch visit one of the many cafes and restaurants in the beautifully designed open space pedestrian area which also houses many shops. SEA Aquarium can be found nearby (very well sign posted), opposite Universal Studios. This absolutely amazing Aquarium will be the next highlight on your city break adventure to Singapore. The aquarium houses one of the largest indoor water basins and gives an unrivalled view into the marine life of the worlds oceans. Afterwards follow the signs to the lush tropical vegetation of Gardens by the Bay. Wander through the wonderfully 101 hectares of beautifully landscaped gardens and be amazed of the waterfall at the cloud forest. This evening we suggest you enjoy dinner at the recently refurbished Lau Pa Sat Market.
