

Discover & Experience Europe's Last Secret: Albania

Eight days filled with unique natural landscapes combined with the background story of the country and the influences of various religions and politics.

Day - 3 Përmet

KORÇA – REHOVA – PËRMET (B, L, D)

After breakfast, a guided walk tour through the city of Korça and its well preserved traditional market is planned. It used to be a trading market not only for domestic goods but also for imported items originally from Turkey, Greece, Trieste and Venice. Stop then for a coffee break at a very special bar just in the heart of the market. It bears the name “Komiteti”, the most important Institution of the Communist State. Different original carefully preserved objects create a special atmosphere enabling a journey to the past, to another reality and way of life. The explanations of your guide helps you to understand, go deeper and experience it. The journey continues towards Rehova, a remote village just in the middle of the mountains. As you walk through the cobblestone alleys it seems like in the Middle Ages. Here, be a guest of a local family for lunch and taste the local dishes cooked in a strictly traditional way using homemade local ingredients of the region of Korça. After lunch, transfer to Përmet, where you will be guest of a family and get in contact with the real life of the locals. Taste some homemade “raki” and confitures.
