### **Day - 5 Magura**

#### **VIDIN – GRADEC – MAGURA (B, D)**

After breakfast, head to the nearby village of Gradec where the Chateau de Val wine cellar was founded in 1998 by Mr Val Markov with the ambition to resume the tradition of the region of Vidin in producing unique wine. The cellar produces high quality natural red and white wines, and its pride is called GRAND CLARET – red coupage. All wines at the Chateau are produced in a traditional style (natural grape production), fermented and aged in American, French and Bulgarian oak barrels. The journey continues to the Magura cave and the Magura wine cellar, where the beautiful cave experience continues in one of its galleries – the natural sparkling wines of the Magura winery are maturing there.
