

## Bulgaria I Through The Lands Of Thrace

A journey through the lands of heroes and poets, deities and rituals, mystery and traditions..., the lands of the ancient Thracian's – the first to transform grapes into wine!

### Day - 5 Jrebchevo Dam

#### MOGILOVO – JREBCHEVO DAM (B, D)

After a restful night, it is time for a new share of high quality wines. After elaborate analysis and soil tests in the micro-region of Elenovo village, Edoardo Miroglio found that the terroir of Elenovo is unique for Bulgaria and is equally good for cultivating both red and white grape varieties. Later during the day, one of the most modern wineries in the region – Windy Hills, will open up its doors for a remarkable winetasting session amidst its own vineyards. The overnight at Jrebchevo Dam will add a new perspective on the contemplations before the new day breaks full of adventures.

**Overnight:** Jrebchevo Dam
