

# Kyaikthalae Village | Life The True Traditional Way

Three days away from it all: Explore the rural village with its daily life, handicrafts and traditional cultural assets.

## Day - 2 Kyaikthale Village

### **KYAIKTHALE VILLAGE** (*B, L, D*)

Start the day by making food offering to the local monks as they go to collecting their alms. After carrying out your day's "good-deed", return to the Community Lodge for breakfast. Use the morning to explore the fields of the local farming community and learn more about the creation of natural fertilizer, the cultivation of crops and poultry farming. Assuming you've worked up an appetite, you will then enjoy a Myanmar cooking class, using some of the produces sourced from the field. For those that do not wish to join, or have not worked up an appetite, it will be possible to take part in a tree planting initiative. Lunch is served at the village. During the afternoon, you can drive to Phayargyi, where you can learn more about traditional pottery making techniques at the long village's 15th century kiln site. Following dinner this evening, enjoy a culture show including traditional dance acts such as U Shwe Yoe & Daw Moe.
