

Kenya | Explore The Great Rift

The Great Rift Valley in Kenya dates back 25 million years before our time. It's formation in Kenya paved the way to the creation of outstanding scenic beauty, fresh water lakes and Reserves full of wildlife.

Day - 3 Lake Elementaita

LAKE NAKURU – LAKE BOGORIA – LAKE ELEMENTAITA (B, L, D)

Have a leisurely drive as you head north and on arrival visit the hot springs that make this park very special and unique. Picnic lunch will served at a secluded spot and later explore to search for the greater Kudu's. In the afternoon, drive to your lodge at Lake Elementaita. The lake is about 25 sq km and is home to resident Pelicans, Spoonbills and Cormorants. The view of the magnificent sleeping warrior is a beautiful sight as you enjoy the sunset.
