

Kenya I Discover The Big Five

The Northern Route offers another site of Kenya. The Tour is very interesting as you pass fertile farm lands to the arid areas of Samburu that falls on the lee ward side of Mt Kenya.

Day - 4 Samburu

SAMBURU: GAME DRIVE & CAMEL SAFARI (B, L, D)

What makes Samburu National Reserve a unique park is the collection of the special five that can only be seen here and are adaptive to the arid condition i.e The Grevy Zebra, Reticulated Giraffe, Somali Ostrich, Gerenuk Antelope and the Besia Oryx. Spend your morning exploring the great wildlife during your game drive. After Lunch at the Lodge, experience a Camel Safari as you cross the Ewaso Ngiro to head to a Samburu Village to learn more about this unique tribe that are cousins to the Maasai People and learn to speak the Maa language.
