

Tanzania | Explore With Tufayn

I take pride in exploring the Northern Circuit with you and we will touch on special parks that make this part a unique one. From the Tree Climbing lions of Lake Manyara to the vast and endless plains of the Serengeti, from the Crater floor full of life to the bushmen "Wahadzabe" at Lake Eyasi.

Day - 3 Serengeti

LAKE MANYARA – SERENGETI (B, L, D)

After breakfast, drive to the Serengeti National Park. It is derived from a Maasai word that means endless plains. It's a large National Park that shares the same ecosystem as Maasai Mara. It's famous since it hosts large herds of wildebeests and herbivores. The big cats are always found around the River. On arrival, experience your first game drive of the Serengeti in search of wildlife. Picnic lunch will be served at a secluded spot.

Overnight: Serengeti
