VOLCANOES NATIONAL PARK: GORILLA TREKKING (B, L, D)

There are a total of 80 gorilla permits available each day with a maximum of eight trekkers visiting any one group. Once the trekkers are put into groups, each group Lead Guide briefs the trekkers of the trekking procedures as well as the "do's and don'ts" while in the

presence of gorillas. After the briefing, trekkers return to their respective vehicles for the drive up to the starting point. Trekking can take from two to six or more hours if the gorillas move before the park rangers locate them the next morning. The guides stop frequently to allow trekkers a chance to rest and take photos along the way. Have lunch at the lodge, afternoon free at leisure at the Lodge.
