

Georgia I Adventure Tour

Georgia - an exciting, still very unknown country. Drive, hike, ride and raft through the magnificent natural landscapes of this unique country and taste the wine!

Day - 6 Tbilisi

KAZBEGI – MTSHETA – TBILISI (B)

Today, hike the whole day in Truso gorge (25km, 5hours, easy). It is located on the Northern slope of the Caucasus, at the beginning of the Tergi River bed. The tour takes you to the origin Truso pass and ends at a village named Kobi. The gorge is in an alpine zone, where factually are no trees. This is why it is so picturesque and unique in its geological structure – the travertine valley with hydro carbonate mineral springs and “boiling” lake. Despite the severe climate, the remains of old structures – churches, towers and fortresses, are still preserved in some of the villages of Truso gorge. Truso is also rich of mineral waters which influences the colouring of the river Tergi. See also a small carbonated lake en-route. Afterwards, on your way to Tbilisi, visit Mtskheta. It functioned as the capital of Eastern Georgia – Iberia – from 3rd century. BC to the 5th century. AD. Mtskheta historical monuments – Jvari Monastery and Svetitskhoveli Cathedral – are UNESCO World Heritage Sites.

Overnight: Tbilisi
