

Best Of Argentina I The Highlights Of North & South

Birthplace of tango and home of the Gauchos, Argentina will not cease to inspire you with its landscapes, its rich cultural identity and its warm and welcoming people.

Day - 8 Puerto Iguazú

BUENOS AIRES – PUERTO IGUAZÚ (B)

Continue your trip to Puerto Iguazú, which enjoys the tranquillity of a country town. Its semi-tropical climate with a high humidity has helped with the development of a dense tropical fauna. The red brick houses that characterize the city are surrounded by large gardens in full bloom throughout the year. The Iguazu National Park offers a panoramic view of the incredible Iguazú Falls from the Brazilian side. From the interpretive centre, “double-decker” buses drive visitors through a journey of three miles into the forest along paths in the middle of the forest and providing a view of the falls.
