

Mountains, Rivers And Reindeer – Northern Mongolia Tour

Take in everything Mongolia has to offer – from the sand dunes of the south to the lakes and rivers of the north. From flat plains to high mountains, from camels to reindeer. You will ride in cars off-road, on horseback and on camels. You will see night skies like never before, and you will hear a silence that only the least densely populated country on earth can offer.

Day - 8 Tsenkher

TERKH WHITE LAKE - TSENKHER HOT SPRING (B,L,D)

After a long trip we deserve some relaxation. Tsenkher is a popular weekend vacation spot for locals, known for its healing waters since pre-soviet times. It is located in a picturesque valley with forested hillsides and a small creek running through it. The spring itself is surrounded by Ger camps, though the valley around it is, like most of Mongolia, virtually empty of people. Take your time, explore or just soak in one of the thermal pools supplied by the hot spring.
