Birds Heaven - Birding Tour

The best season for bird watching is from October through December, when birds, through their songs, can be more easily spotted in the forests. Madagascar is a promised destination for ornithologist or twitchers with its 107 endemic bird species, 198 nesting birds and 5 ENDEMIC FAMILIES. During this tour, you do not need a luck to discover at least the members of the 5ENDEMIC species of groundrollers, the unique assitys, the diverse Vangas, the terrestrial mesites and the couas. You will also have the opportunity to discover other animal in their natural habitat: lemurs, chameleons, weird leaf tiled geckos.....the fascinating landscape of the Big Island, meeting with its local population and discovering their culture. With the teamwork run with our professional birding guide, the driver and the local guides in the national parks, it is a real pleasure to make your trip unique and unforgettable.
