

Southern Dinarica - Peaks Of The Balkan

The Peaks of Balkans tour explores the beauty of the Albanian Alps, the lushness of the Belegu, Decani and Bogicevica pastures in Kosovo and Montenegro, and everything in between. We will begin with a guided walk in Tirana, the capital of Albania. This day tour of Tirana offers you a different insight about the capital of Albania. Tirana is a city full of energy and adventure. The more time you spend walking the streets of the city, the more experiences you will stumble upon. The mountain-ridge walks between the Valbona Valley and Theth Valley epitomize the Peaks of the Balkans tour. There, at the altitude of 1815 m, you can see the panorama of both valleys before you. Both peaks are considered as the miracle of the Alps. This is going to be a spectacular journey for you.

Day - 2 Tropoje

TIRANA – TROPOJE VILLAGE (B, L, D)

We make an early start to Northern Albania and embark the ferry, which sails through Koman Lake. It takes about 3.30 min to reach the ferry and about 2 hours to sail through Koman Lake. The scenery through Koman Lake is impressive so this is a great time to relax and enjoy the view. Once we disembark we continue driving to the village of Bujan to visit a turret type tower dedicated to the local hero Mic Sokoli. There we will learn more about the local traditions and the characteristic features of these towers which were much more present about 200 years ago. After the visit we can change into walking boots and walk for about 1.5 hours to the village of Tropojë, once the center of Tropoja district.
