Southern Dinarica - Peaks Of The Balkan

The Peaks of Balkans tour explores the beauty of the Albanian Alps, the lushness of the Belegu, Decani and Bogicevica pastures in Kosovo and Montenegro, and everything in between. We will begin with a guided walk in Tirana, the capital of Albania. This day tour of Tirana offers you a different insight about the capital of Albania. Tirana is a city full of energy and adventure. The more time you spend walking the streets of the city, the more experiences you will stumble upon. The mountain-ridge walks between the Valbona Valley and Theth Valley epitomize the Peaks of the Balkans tour. There, at the altitude of 1815 m, you can see the panorama of both valleys before you. Both peaks are considered as the miracle of the Alps. This is going to be a spectacular journey for you.
