

Northern Vietnam I Wildlife Discovery

The flora and fauna of Vietnam is unique and overwhelming! On this tour you get the chance to explore the wildlife and biodiversity of the famous Cuc National Park and to spot endangered and rare species.

Day - 4 Ninh Binh

CUC PHUONG NATIONAL PARK – NINH BINH (B, L)

This morning after breakfast join a **9-km hike** to visit the **Ancient Tree** before having a **picnic lunch** in the forest. Finally, visit the some **200- 230 million years** old **Dinosaur Fossil** before walking back to the main road to drive back to the center. This afternoon depart from Cuc Phuong National Park to transfer to **Ninh Binh**, famous for its jugged karst formations with lush green rice paddies, also known as **Halong Bay** on land.

Overnight: Ninh Binh
